# WEATHER

## WEATHER SYNOPSIS BY REGION:

### **NORTHERN CALIFORNIA AND CENTRAL COASTAL AREAS:**

#### **Eureka Weather:**

Colder air has filtered over northwest California behind a cold front. Some showers will continue to impact portions of northwest California through this afternoon. Otherwise, a general drying trend is expected into Sunday. The next system may bring some very light rain to Del Norte and northern Humboldt Counties Monday and Tuesday.

#### **San Francisco Weather:**

Showers with possible embedded thunderstorms will continue to impact the region through this afternoon, mainly south of San Francisco. Precipitation will then taper off this evening with dry conditions returning on Sunday. Dry weather and warming temperatures are then in store through much of next week as high pressure builds over the region.

### **CENTRAL CALIFORNIA AND SOUTHERN SAN JOAQUIN VALLEY**

#### **Sacramento Weather:**

Lingering showers and possibly a few thunderstorms will continue today and diminish this evening. Drier and milder weather is expected for much of next week.

#### **Hanford Weather:**

A storm brought rain and high Sierra snow to the district overnight. The weekend will be unseasonably cool with residual showers and higher elevation snow showers through this Saturday night. Dry weather is expected Sunday through Tuesday with patchy late night and morning fog in the San Joaquin Valley. A warming trend will begin Monday and continue through Thursday as high pressure builds into California.

# WEATHER

## WEATHER SYNOPSIS BY REGION:

### **SOUTHERN CALIFORNIA:**

#### **Los Angeles Weather:**

The storm system will continue to bring periods of rain, mountain snow, possible thunderstorms and gusty winds overnight, and then turn showery by Saturday morning. Next week is expected to be dry and warmer with a ridge of high pressure and offshore flow.

#### **Extreme Southwestern California Including Orange, San Diego, Western Riverside and Southwestern San Bernardino Counties:**

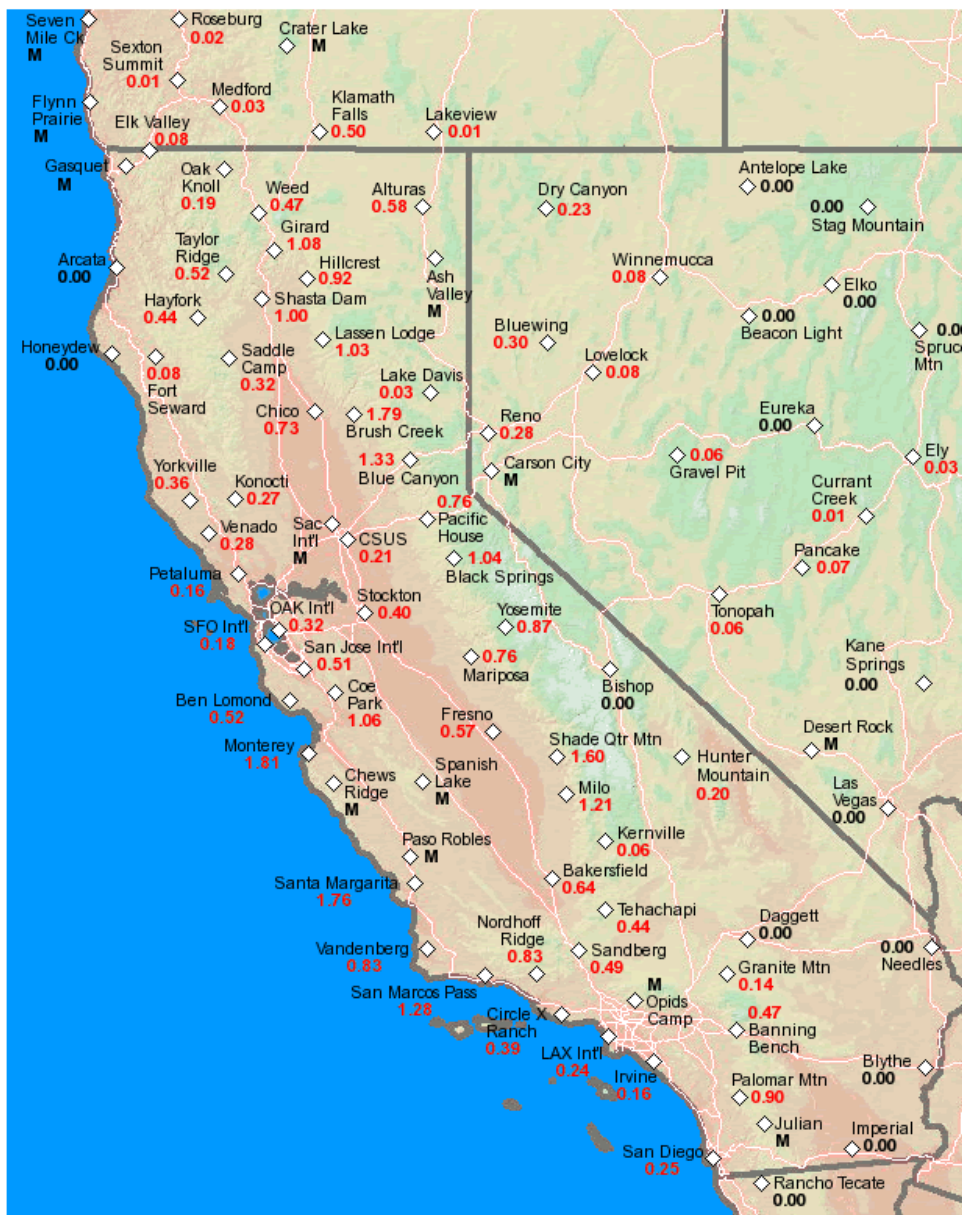

A cold front moving across Southern California will bring rain and high elevation mountain snow this morning to much of the region. Precipitation will taper off later today to scattered rain and high elevation snow showers with partly to mostly cloudy skies at times. Another surge of moisture tonight will bring additional rain and high elevation snow showers with a good chance of additional measurable precipitation across the San Diego region. It will then gradually become drier and warmer next week with high pressure aloft and weak to moderate offshore flow at times.

#### **Southeast California Weather:**

Significantly cooler temperatures will arrive this weekend as a low pressure system and cold front push through the desert southwest. Highs will drop into the upper 70s and low 80s on Saturday, falling to the upper 60s and lower 70s on Sunday. In addition to the cooler temperatures, occasionally breezy conditions can be expected through the weekend. A gradual warming trend will begin during the middle of next week as high pressure aloft returns to the area.

# RECOVERY ACTIVITIES

## Boles Incident Vegetation Fire- City of Weed, Siskiyou County

### Recovery Activities

- On 10/01/14, the U.S. Small Business Administration (SBA) approved a disaster declaration making SBA assistance available in the primary County of Siskiyou and the contiguous counties of Del Norte, Humboldt, Modoc, Shasta, and Trinity, making low-interest federal disaster loans available to homeowners, renters, businesses of all sizes and private nonprofit organizations whose property was damaged or destroyed by the Boles Fire. The filing deadline to return applications for property damage is 12/01/14. The deadline to return economic injury applications is 07/01/15.
- On 10/06/14, the Governor issued Executive Order (EO) B-27-14, which provides CDAA, and debris removal assistance, including the suspension of rules and regulations impacting debris removal. The EO also provides the ability for nonprofit organizations to seek reimbursement for extraordinary activities through the State Private Nonprofit Organizations Assistance Program.
- The Cal OES VAL continues to coordinate and participate in Long Term Recovery Group (LTRG) meetings with NGO, Faith Based, and local agencies. Shasta Community Foundation was identified as a fiscal agent for the group. Individuals needing assistance should be directed to the Family & Community Resource Center of Weed located at 260 Main Street, Weed. Funding organizations will assist with unmet needs through the case management process. The VAL will continue to provide guidance to the LTRG group and is meeting with subcommittees on 10/29/14, and the Executive Board on 10/30/14.
- The College of the Siskiyou's website contains a Fire Resource List of various local agencies offering goods and services. The document can be found at <http://www.siskiyou.edu/humanresources/documents/fireresourcelist.pdf>. Additional information on recovery efforts can be found at <https://weed.recovers.org/>.
- Food donations are being accepted at 310 Boles Street.
- CalRecycle is beginning the process of contacting property owners for the removal of trees. Homeowners will be asked to sign a separate Disposition of Tree Agreement (DTA). No tree removal will begin on a property until the DTA is signed. Tree stumps will not be removed. Tree removal is slated to begin next week.
- On 10/28/14, the City of Weed reestablished water pressure to its downtown area; however, the water storage capacity for fire suppression is still lacking. The City expects water storage to be restored by 12/31/14, or sooner if the weather permits.

### **Cal OES Deployments**

- One (1) Cal OES Recovery staff is assigned.

# **RECOVERY ACTIVITIES**

## **Magnitude 6.0 Earthquake, American Canyon, Napa County**

- Cal OES and FEMA announced that the Major Disaster declaration for the South Napa earthquake will also include the Individuals and Households Program under the Stafford Act. This amendment makes assistance available to help homeowners and renters recover from the earthquake.
- Low-interest federal disaster loans are now available to California residents and business owners as a result of President Obama's major disaster declaration. The declaration covers Napa and Solano counties as a result of the South Napa Earthquake and aftershocks that occurred August 24 – September 7, 2014.

## **Recovery Activities**

- The deadline for Cal OES to submit the Request for Public Assistance of potential applicants to be considered for reimbursement for this event ended, 10/24/14. Fifty-nine (59) RPAs were received and nine (9) were withdrawn for a total of fifty (50) RPAs submitted to FEMA. Thirty-One (31) Kickoff Meetings have been completed.
- The Napa Long Term Recovery Committee (LTRC) is in the process of forming its leadership, establishing policies and procedures, and identifying a Mission statement. A follow up meeting is pending.
- Cal OES IA Voluntary Agency Liaison (VAL) continues NGO coordination in Solano County. The Vallejo Earthquake Recovery Group (VERG), a long term recovery group, has formed and has established by-laws and elected an Executive Board. The VERG has reached out to nonprofit partners regarding a general member meeting scheduled for October 31, 2014.
- Local Assistance Center (LAC): County and City of Napa: LAC opened on 09/08/14 at 301 1st Street, Napa (corner of 1st Street and Silverado Trail). On October 29, 2014, FEMA and SBA provided representatives in the Napa LAC, and coordination continues for opening a Disaster Recovery Center in the City of Vallejo. The LAC is open until further notice.
